LUNS Update!

Each site has been contacted with regard to finalising queries and archiving, thanks to everyone who has replied to these already.

The schedule for the study is:

Date	Action	To be actioned by
May 2011	Finalise queries, check the site file, prepare for archiving.	staff at site
September 2011	End of follow up, last questionnaire returned.	LUNS team in Bradford
September 2011	Issue copy of REC declaration of end of study form to sites and local R&D departments. Site file can now be archived.	LUNS team in Bradford and staff at site
From Oct 2011	Data analysis & subsequent dissemination of results.	LUNS team in Bradford
From 2021, after the archiving period	The Sponsor (Bradford Teaching Hospitals NHS Foundation trust) should be contacted to authorise confidential destruction of the data .	staff at site and LUNS team in Bradford

**Thank you for your continued support for the LUNS study!**  
Everyone involved has helped to make the study a success. With regard to recruitment, we would like to acknowledge the following landmarks and the sites who helped us to achieve them:

- ★ First patient recruited in Phase 1 – **Airedale!**
- ★ Site to recruit the most patients in Phase 1 AND the first patient in phase 2 – **Liverpool!**
- ★ Site to recruit the most patients in phase 2 – **Bishop Auckland!**
- ★ Site to recruit the most cognitively impaired/non English speaking patients – **Sheffield!**

*Thank you!*
